

OSHC provides care for children after school from 3.00pm to 6.00pm on the Modbury Special School Campus. .

OSHC Fee: \$30.

These fees are subsidised through the Commonwealth Child Care Benefits scheme so carers are only required to pay the calculated reduced amount.

Fees for OSHC must be paid fortnightly by cash, Cheques or ETPOS to Admin.

To enable the OSHC staff to provide for the needs of children in their care, families are advised to discuss openly the needs of their children when seeking to enrol. This includes providing information about any emergency or routine health and personal care needs. The OSHC Director can work with parents to develop a program to cater for the needs of the child.

We aim to provide a quality care, education and service to the children and families of Modbury Special school..

The program at OSHC addresses the National Quality Standards consisting of the 7 quality areas

- *Educational program and practice*
- *Children's health and wellbeing*
- *Physical environment*
- *Staffing arrangement*
- *Relationship with children*
- *Collaborative partnerships with families and communities*
- *Leadership and service management.*

Modbury Special School is the only special school to offer an OSHC. The program offers an extremely valuable service to parents and carers of children with disabilities after school hours.

The program is funded through the Commonwealth Childcare Benefit in the same way as many other childcare services.

With Child Care Benefits the cost of the program to parents and carers is considerably cheaper than it would be otherwise. The cost for families is dependent on the family income.

In order to access the Child Care Benefit subsidy it is necessary to register your child with the Family Assistance Office. They can be contacted on 13 61 50. It will be necessary to quote the Modbury Special School number 407 274 843S.

Every family using the OSHC Program will need to register.
